

**REMARKS**

**Status of the claims:**

With the above amendment, claim 47 has been canceled. Thus, claims 1-46 and 48-50 are pending and claims 39-41 and 48-50 have been withdrawn from a prior election of species requirement. Accordingly, claims 1-38 and 42-46 are ready for further action on the merits. Applicants respectfully request that the Examiner cancel claim 47 to put the application in better form for appeal because the number of issues will be reduced.

**Restriction/Election of Species**

Applicants respectfully request that the election of species requirement be withdrawn as it is believed that it would not be an undue burden on the Examiner to search all the claims.

**Drawings**

The Examiner has objected to the drawings for not showing all of the features of the claimed invention. Applicants submit that a drawing is not necessary to understand the claimed invention. Accordingly, no further drawings are included with the instant Reply.

**Double Patenting**

The Examiner has objected to claim 47 as being a substantial duplicate of claim 45. Applicants have canceled claim 47 so Applicants believe that the objection has been obviated. Withdrawal of the objection is respectfully requested.
